

Three Decades of Collaboration: **BETAH** Serves the National Institutes of Health (NIH)

2024 HHS OSBDU Small Business Prime Contractor of the Year

BETAH Associates, Inc. (BETAH) has unparalleled experience with NIH and a knowledgeable team standing ready to translate medical and behavioral research into compelling products, messages, and events that enhance health, lengthen life, and reduce illness and disability.

BETAH is an award-winning company with a 36-year record of success in providing exceptional client experiences.

Since 1988, we have collaborated with clients to resolve challenges, engage communities, and create stories and experiences that inform and inspire. Our diverse team brings creativity, flexibility, and thought leadership to the NIH mission of communicating research-based health, medical, and scientific information. As a minority- and woman-owned small business, we advance the interests of government, private-sector, and nonprofit clients with communications and creative services, event management, training and technical assistance, peer review services, and professional support. BETAH has been recognized three times on Inc. Magazine's list of fastest growing companies nationwide.
