

BETAH: Providing Superior Administrative Services for Seamless Operations

Looking for a trusted and preferred vendor? Turn to **BETAH**, HOLDER OF A LONG-TERM ADMINISTRATIVE SUPPORT CONTRACT III (LTASC III) IDIQ

ABOUT BETAH

BETAH Associates, Inc. (BETAH), has stood out for its outstanding achievements and dedication to excellence since 1988. Our administrative service offerings are an embodiment of our commitment to quality and precision. From foundational tasks to executive-level support, BETAH's administrative professionals ensure seamless operations and strategic assistance, aligning perfectly with NIH's esteemed mission and amplifying our collective impact on health and science communication.

BETAH'S LTASC TEAM

BETAH joined forces with **Magellan Federal** and **Professional Management Consulting Services (PMCS)** to augment our own capabilities, resources, and wealth of relevant experience—ultimately delivering greater value.

Magellan Federal brings extensive staffing capabilities, operating across 49 states, four U.S. territories, and 13 countries, backed by the robust resources of its parent company, Magellan Health.

Professional Management Consulting Services (PMCS) boasts over 14 years of experience in deploying award-winning, technologically advanced processes in government staffing, recognized for its comprehensive nine- step staffing methodology.

BETAH's administrative support delivers unparalleled value through a harmonious blend of extensive experience, strategic resource accessibility, and profound institutional knowledge, all aimed at enhancing efficiency and exceeding client expectations within the NIH's dynamic environment.

THE BETAH ADVANTAGE

BETAH.COM

- **Extensive NIH Experience:** Proven track record supporting 15 NIH Institutes and Centers, showcasing deep familiarity with NIH's unique operational landscape.
- **Resource Accessibility:** Access to a pool of administrative professionals experienced in handling multiple tasks for NIH/HHS, ensuring consistency and quality in service delivery.
- **IDIQ Contract Proficiency:** Demonstrated expertise in administering NIH's multiple-award Indefinite Delivery, Indefinite Quantity (IDIQ) contracts, enabling agile and effective project management.
- **Mission Alignment:** A profound understanding of NIH's research culture, empowering BETAH to proactively devise and tailor customized staffing solutions that align with NIH's mission and objectives.
- **Institutional Knowledge:** Utilization of established relationships with NIH to swiftly and effectively adapt to evolving requirements and new initiatives, ensuring continuity and excellence.
- **Process Excellence:** Commitment to implementing proven staffing processes, guaranteeing efficiency, reliability, and the highest standards of service.
- **Proven Customer Satisfaction:** BETAH excels in fostering strong client relations and surpassing expectations, proven by a 100% satisfaction rate and top CPARS ratings. Constant communication with NIH staff and collaborative efforts ensure aligned objectives and streamlined service delivery.
